BACARETO

As the sibling company of Spit & Sawdust community skatepark, cafe and artspace, Bacareto is an exciting, independent, Venetian inspired café bar, established in 2021.

Situated in the centre of Cardiff, at 13 Church Street, in a building also housing the popular Cardiff Skateboard Club.

A relaxed and informal space - during the day we serve good coffee, alongside our cicheti (Venetian style small bites and snacks), cakes and a full drinks menu.

From aperitivo hour onwards the space transforms into a bustling bar, serving well sourced wines and beers in a lively atmosphere, with a delicious regularly changing menu.

We champion ingredients from the best producers with an emphasis on sustainability, a high percentage of the menu being plant focused.

We support creative projects, commissioning artists to make work around the space. A relaxed cafe by day, a bar with good food by night. Salute!
